

Get Low-Rate Lending for Housing and Economic Development Projects Through FHLBank Pittsburgh

Did you know that FHLBank Pittsburgh's Community Lending Program (CLP) offers funding for qualified community and economic development projects that create housing, build infrastructure, help small businesses and strengthen neighborhoods? The CLP pool of funds is available year-round to FHLBank member financial institutions in Delaware, Pennsylvania and West Virginia. Member institutions access this funding at a very competitive rate, below FHLBank's regular lending rates, to lend to qualified community projects. A variety of funding options also gives you the flexibility to meet your project's needs.

To discuss how your project might qualify for CLP funding, please contact James Gasperowich at 800-288-3400, ext. 2864, or james.gasperowich@fhlb-pgh.com. For a list of FHLBank member institutions near you, visit www.fhlp-pgh.com and select "About Us."
